

TENUTA NANFRO

The family behind Tenuta del Nanfro has long been making wine on its estate in southeastern Sicily. The vineyards are located just four kilometers from the small town of Caltagirone, known for its ancient ceramic art and craft history. The family has 32 acres of land, which is farmed organically and predominantly planted with indigenous grapes of the region: Frappato, Nero d'Avola, Inzolia, and a bit of Chardonnay. The combination of mild climate and sandstone soils produce wines that embody a "sensual" character, unique to this particular region of Sicily.
