

OLIVIER ROTEN

A many generation, family owned winery located in the heart of the Swiss Alps. Stewards of the mountainous terrain in which they live, breathe and work with their hands, the Roten family pays tribute to their homeland by producing wines of clarity, depth, freshness in the spirit of the Alps. The Caves du Paradis winery and vineyards are located in the township of Sierre at the center of Switzerland's Valais region. Winemaker Olivier Roten is the third generation in his family to produce wine in this mountainous area along the Rhone River. The Roten family's vision has always been to preserve traditional grape varieties and to ensure that their wines reflect the unique alpine terroir in which they are grown. While implementing new techniques and approaches, Olivier remains true to the core family philosophy of using sustainable farming practices and intervening as little as possible in the winery.
